

SPEAKER CD'S NOW AVAILABLE

AT THE INTERGROUP OFFICE

INTERGROUP HAS ACQUIRED A LARGE COLLECTION OF Speaker CD's that are now available for purchase. Many of these are from circuit speakers at conventions, some are very Spiritually based, and others are from an AA connection in Southern California that holds a very popular and large weekly Saturday Night Speaker meeting and records them. Some are celebrity AA's, others well known old timers such as Clancy I. and Chuck C., and include Dr. Paul O. whose story is in The Big Book.
